What is LifeInvader about?

Lifeinvader is a private state organization that specializes in editing ads, hosting events like the talent show, and making news articles and videos that are informative for the public.

How to benefit from this document?

This document highlights our standards for editing ads as well as some important rules we must follow while we work for this organization.

TIP: Please use “Ctrl + F” to find anything you are searching for in documents.

General Ad Rules:

Vehicle & Clothing List:

📁 LifeInvader (EN3) Renewed List for Cars, Motorcycles, Boats, Planes, Helicopt...

Templates List:

📁 LifeInvader Templates List (EN3)

Always begin the ad with:

"Buying" - "Selling" - "Trading" - "Selling or trading".

For "Buying" put "Budget:".

For "Selling" put "Price:".

If the ad does not mention a Budget or Price, then you should mention it as Negotiable.

Examples:

Buying:

Buying Progen containers. Budget: Negotiable.

Selling:

Selling seeds. Price: \$1.500 each.

Trading:

Trading "Ubermacht M5 (E34)". (Auto)

Trading pink Lui Vi pants for blue Lui Vi pants. (Other)

Selling or trading:

Selling or trading "Ubermacht M5 (E34)" with insurance for "Benefactor-AMG C63 Coupe (W205)". Price: Negotiable. (Auto)

Selling or trading black Abibas pants. Price: \$38 Million.

The first letter is ALWAYS capital, use a full stop (.) to end the sentence.

The first letter in Price, Budget and Negotiable should be in capital.

A colon (:) should be used after Price: or Budget:

A dollar sign (\$) must be used before the value.

Can only trade a Business for business, Cars for Cars and Other categories.

Examples:

Selling Abibas Pezy Boost 700 V3 Alvah shoes. Price: \$200.000

Selling white Pezy Boost shoes. Price: \$4 Million.

If the ad ends with a numerical value, then there is no need for a period (.)

-Use a full stop (.) instead of a comma (,) for prices.

-We do NOT use "k" to represent a thousand or use "M" to represent a Million. Write it out in numbers instead:

Examples:

\$1k becomes \$1.000

\$1.7k each becomes \$1.700 each.

\$1m becomes \$1 Million.

\$1.450k becomes \$1.45 Million.

Examples:

- 1) Party at the beach.
- 2) Party at Bahama Mamas Bar.

Looking/Dating Category:

Car Rentals:

You can now rent container vehicles to players who own a car sharing business.

Renting of vehicles can be done up to 21 days.

It is unlikely that we will get many vehicle renting ads, as car sharing business owners usually have their own stockpile of container vehicles.

- Use the word "Renting out". Instead of using "Price", use the word "Rent".

Examples:

Renting out a vehicle. Rent: Negotiable. (for single vehicle)

Renting out vehicles. Rent: Negotiable. (for more than one vehicle)

Renting out "Truffade Chiron". Rent: Negotiable.

Renting out "Truffade Chiron". Rent: \$100.000 per week.

Renting out "Truffade Chiron". Rent: \$100.000 for 3 days.

Renting out "Truffade Chiron" with full configuration, visual upgrades, insurance, turbo kit and drift kit. Rent: Negotiable.

Renting out "Truffade Chiron" with full configuration, visual upgrades, insurance, turbo kit and drift kit. Rent: \$100.000 for 3 days.

An owner of a car sharing business would post:

Renting a vehicle. Budget: Negotiable.

Renting a vehicle. Budget: \$100.000 per week.

Renting vehicles. Budget: \$100.000 per week per car. (for more than one vehicle)

Renting "Truffade Chiron". Budget: \$100.000 per week.

Renting "Truffade Chiron" with partial configuration and visual upgrades. Budget: \$100.000 for 3 days.

**Players are also now able to rent exclusive truck skins to boost their earnings from the trucking job. This would be advertised as the following:

Renting a "20 percent" exclusive truck. Budget: Negotiable.

If **rent** and **budget** are specified but **no rental period** is specified, (1-21 days/per week/for 1-21 days) **reject with the message "Please indicate rental period."**
